FISCAL IMPACT - Small Business

Small business dealing in rental vehicles could have to change the way they calculate and charge damages to consumers.

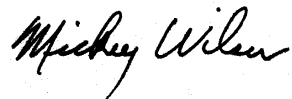

DESCRIPTION

This proposal would prohibits rental companies from collecting more on claims for damages to or loss of rental vehicles than the actual cost of repair or the actual cash value less salvage or disposition proceeds. It would also permit the claim to be based upon a repair invoice prepared by a repair facility.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
